

SFDS Scrip Tuition Rebate Program 2015-2016

Welcome to the new SFDS Tuition Rebate program for the 2015-2016 school year. Please take a moment to read the following important notices that will ensure that you are able to take advantage of this program to earn money towards your child's Tuition.

As there is no Scrip Office, we will no longer keep an inventory of gift cards. Because of this, we must order your gift cards each week as needed. The order will be placed to our supplier once a week on SUNDAY evenings only. For you to receive your orders as quickly as possible, it is imperative that you place your order as follows:

1. If you have signed up for PRESTO PAY, your order must be placed online on the www.shopwithscrip.com website no later than 4 p.m. each Sunday.
2. If you choose to pay for your order with a CREDIT CARD, you must have your credit card information on file with Michelle Rebbe. Your order must be placed online on the www.shopwithscrip.com website no later than 4 p.m. each Sunday. When your order is received, your credit card will be charged and your receipt will be enclosed with your gift cards. Please note that there will be a 2% service charge added to each credit card charge.
3. If you prefer to pay for your order with a CHECK, we ask that you place your order online during the week, print out the receipt from the computer, attach your check to the receipt and bring your order and payment to Mrs. Bryden in the SFDS Business Office no later than Thursday of each week. If your payment is not received by Thursday, your order will not be processed until your payment has been received. Be advised that your check will be banked on Friday before the Sunday order is made.

Your scrip cards will be available for you to pick up from the SFDS Business Office each Wednesday after 12 noon. You will receive an email when your order is ready – usually on Tuesday evening. Please make sure that you sign for your order when you receive it from Mrs. Bryden. This way we can be sure that the correct person is receiving the order.

If you prefer to have your order sent home with your child, we must have a permission slip on file. Orders that have been paid for will be sent home once a week on WEDNESDAYS only. Please email back to let Mrs. Rebbe know if you prefer to have your orders sent home. Please advise the name and grade of your child that you would like to bring your order home. If we do not have your permission on file, then you will have to pick up your order in person.

If you prefer to donate your earnings, you can choose The SFDS Scholarship Fund, The T.R.I.P. Fund or the Technology Fund. Please let us know if you choose to do this so that we can update your account. If you do not nominate where your earnings are to go, we will automatically apply them to your Tuition Account. Your earnings will be deposited into your Tuition Account at the end of each quarter.

We do recommend that you sign up for the Presto Pay option so that you can pay for your order when you place your order. Families that use this feature earn almost double the Tuition amount compared to families who pay by check. Presto Pay opens up a large amount of "instant" gift cards and "instant" reloads that you can use when you are out shopping, without having to wait for a plastic card. Remember, if you order a "scripnow!" certificate without using Presto Pay, you will have to bring your payment to the SFDS Business Office and wait until our weekly order is placed on Sunday evening. Take the time to check out www.shopwithscrip.com to learn more about how this feature will work for you.

We have a new email address for the Scrip Program. Please make a note of it in your address book. As we begin this new program, we know that you will have questions. Please don't hesitate to contact Michelle at scrip4sfds@gmail.com and she will be very happy to get you started.
