Grade 2 Suggested Reading 2017-2018

Reading, like a sport, involves practice and skill. Real skill building occurs when children read for pleasure, when children read “just right” books, that is, books that are not too hard and not too easy, and when children can explore books about those topics that interest them. The more they practice with someone’s encouragement, suggestions and praise, the better and more confident readers they will become.

Here are some tips to encourage reading:

- Set aside a regular family reading and /or read aloud time.
- Read to your children, even the older ones.
- Recognize that your child’s own choice and interests are important ingredients toward reading enjoyment.
- Let your child see you reading for pleasure.
- Don’t forget to pack a book wherever you go this summer.
- Participate in activities at the local library.

Henry and Mudge by Cynthia Rylant- Henry doesn't have any brothers or sisters, but he doesn't feel lonely. He finds companionship and love in a big dog named Mudge. and they're having loads of fun together! (28 books in the series)

- Your children can begin to read this series. Please have children read aloud to you and ask reading comprehension questions along the way.
- This series would give students a head start on AR quizzes when they return to school.

Magic Tree House Series by Mary Pope Osbourne- Magic Tree House is a series of books with Annie and Jack, a brother and sister, who discover a magical tree house that takes them on world adventures. (51 books in the series)

- This series would be beneficial if you find the Henry and Mudge series too easy for your child. These chapter books also have corresponding AR quizzes.

The beginning of 2nd grade we will be reading and discussing the *Learning to Get Along* series by Cher J. Meiners M.Ed. The series is about everything from, resolving conflicts and sharing, to being kind and polite. These engaging books teach children the skills they need to get along with others. I strongly encourage getting a head start on these books and have discussions with your child on the importance of these everyday skills!
