

1st Grade
2022-2023
Summer Resources and Supply List

Welcome to First Grade!

As with anything, performance improves with practice. Encourage your child to read at home. Create a culture of reading in your household by reading with your child, starting a home library, visiting your local library or bookstore on a regular basis, letting your child see you reading, and discussing books that each of you has read. When reading with your child, stop and ask questions to be sure your child is comprehending what is read. Reading with your child, no matter what the child's age, is an important part of developing a good reader, building a lifelong love of reading and learning, and creating a loving relationship between you and your child. Make learning a family affair! Please see our suggested reading list below the supply list.
